

# MORINI CUP 50m JUNIOR

8 June, Suhl (Germany)  
during the ISSF Junior World Cup

CASH  
PRIZES

## Fellow shooters friends and federations

Despite the fact that the 50m pistol discipline has disappeared from the Tokyo 2020 Olympic Games, the Morini company has continued and will always continue to fight with all its strength for the restoration of this discipline which was in the Olympic program from the beginning of the Summer Olympic Games (1896) and Pierre de Coubertin himself practiced it.

**Thanks to the new ISSF management we can announce that during the ISSF Junior World Cup which will take place in Suhl (Germany) from 1 to 9 June, the Morini company will provide cash prizes for the top 3 classified.\***

All this to try to demonstrate that the discipline is not dead and that indeed it would like to come back to Olympic games. For this reason I ask everyone to promote as much as possible the event to show the interest we have in this discipline. I thank the president Luciano Rossi and the general secretary Willy Grill for the support granted.

**\* 1 Award: € 1.500 - 2 Award: € 1.000 - 3 Award: € 500**

Cash prizes are reserved for those who participate in the competition with a Morini pistol. Participants who win the 1st, 2nd, 3rd award without using a Morini Pistol will receive a New Morini Freepistol CM84E.
